Presentation Assignment Rubric

Each student will make a presentation on changes in X over Y period of time (examples, a community, an author or artist's style; clinical practice norms; popular religious practices in India; etc.). The student may focus the presentation as they wish, but there needs to be a thesis, not just a chronological exposition. The presentation should include appropriate photos, maps, graphs, and other visual aids.

- 1) Pick an X over Y for your practice rubric.
- 2) Establish four descriptive dimensions of the assignment.
- 3) Choose from scale descriptions on slide labels for the levels.
- 4) Fill in detailed descriptions of each level.

	Scale Level 1	Scale Level 2	Scale Level 3
Dimension 1 Knowledge And Understanding	- Demonstrates depth of historical understanding by using relevant and accurate detail. - Thorough research.
