

CHFA Assessment Calendar Spring 2008- Fall 2010

Semester	Assessment Activities	Assessment Questions
Spring 2008	<p>Continue to collect data on Goal II outcomes.</p> <p>Target: Measures completed in courses or other fora by semester end.</p>	<p>Goal to answer: are students achieving this stated learning outcome?</p>
	<p>Faculty complete planning for Phase I of program assessment plan.</p> <p>Target: Plan to assess Goal III (Spring 2008) outcomes in Phase I assessment plan by completing all columns on Assessment Plan Grid. Select a direct/ indirect measure and choose courses (embedded) or forum (non-embedded) for measure.</p>	<p>Where are the last two outcomes aligned? Who will be assessed (which students)? Who will assess (which faculty)? How will faculty assess students (what direct/indirect measure)?</p>

DRAFT CHFA SOA Calendar

Semester	Assessment Activities	Assessment Questions
Fall 2008	<p><i>By October 15:</i></p> <p>Analyze data on Goal II (Spring 07) outcomes. Hold departmental discussion of assessment results. Continue to develop Assessment Plan by completing how/when/who columns for outcomes selected last spring.</p> <p>Target: Complete 6A-6E on SOA Report.</p>	<p>For departmental discussion: What do the results mean? What learning outcomes require more attention? What changes in the curriculum or pedagogy would help students better achieve stated learning outcomes? How will we implement these changes? Do we need to make any changes in the assessment plan? What stakeholders (students, alumni, advisory groups) would be interested in hearing our findings and offering input on proposed changes?</p> <p>For Report: See SOA report template.</p>
	<p><i>Throughout semester:</i></p> <p>1) Collect data on Goal III (Spring 2008) outcomes.</p> <p>Target: Measures completed in course(s) or other fora by finals week.</p>	<p>1) Goal to answer: are students achieving these stated learning outcomes?</p>
	<p><i>By xxxx date in curricular process:</i></p>	<p>Using language from curricular form,</p>
